

Dreams of the Ferryman

I'm smothered by my pillow
Heavy eyelids pin me down now
With insane confidence he guides me through the sleeping windows
He leaves two wishes on her eyes
One for the tears and one for the cries of... screams of...

'Mercy, please don't do this to me
Let this be my nightmare
Far beyond the real world
Just another dream'

He stands on blood red dirt
And smiles behind his vulgar mask
Of animals and clowns
Safe in mother's hand me downs
Crying for a tortured mind
With fairy tales and candy lies
This wolf in sheep's disguise
Can see me clearly...

'Mercy, please don't do this to me
Let this be my nightmare
Far beyond the real world
Just another dream'

The slightest breath away
He crows his rancid whispers
'I've beaten you again
You lose to me once more
Tempted by my sirens call'
He leaves two wishes on her eyes
One for the tears and one for the cries of... screams of...

'Mercy, please don't do this to me
Let this be my nightmare
Far beyond the real world
Just another dream'

Let me return to the still
And the dark of untroubled sleep
Where the will and the heart
Of all mankind is undefeated...
He knows my name
There's nowhere else to hide
He knows my name
Two wishes on her eyes
